Additional Information:

This is an amended top hat plan statement to correct the number of plan participants. The person who originally filed the statement incorrectly included the number of employees in the company (286) as opposed to the number of participants in the plan (13). The original statement was submitted on September 23, 2013 by mail and is stamped received by the DOL on October 9, 2013. I cannot locate a confirmation number for this filing, but the number 2520130091967 is stamped on the actual letter submitted and returned to TAM. I tried to include that number in this filing, believing it was a confirmation number, but it was too long to include in the field. If you need further information or can provide further guidance as to how best to accomplish this amendment or obtain the confirmation number of the original statement please contact me at 713-882-2844 or mchastain@wkpz.com. I am the company's attorney.
