Plan Information

Employer maintains the plan or plans below primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees.

| | | | |
|------|------------|--|------------------------|
| ID:1 | Plan Name: | The American Clean Power Association 457(b) Plan | Number of Employees: 1 |
| ID:2 | Plan Name: | The American Clean Power Association 457(f) Plan | Number of Employees: 1 |

Additional Information:

Note: These plans were previously in existence, under the names "The American Wind Energy Association 457(b) Plan" and "The American Wind Energy Association 457(f) Plan. We submitted a Top Hat filing for these plans originally in December 2013 (via letter from Pam Poisson dated 12-20-13) when these plans were first set up. Now, through a merger of The American Wind Energy Association into The American Clean Power Association (ACP) effective today, 1-1-21, these plans are conveying to ACP. With that merger, the employer sponsor name and tax ID are being updated, and the plans themselves are being re-named to align with the updated employer name. Our outside counsel has advised us to again submit a Top Hat filing even though these are existing plans, because of the change in sponsoring employer.
