Plan Information

Employer maintains the plan or plans below primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees.

ID:1	Plan Name:	Restricted Stock Unit Plan	Number of Employees: 3
------	------------	----------------------------	---------------------------

Additional Information:

Tenergy Corporation (the "Company") intends that the Restricted Stock Unit Plan (the "Agreement") is not a "plan" within the meaning of ERISA but rather simply a means for providing for the payment of incentive compensation to the Participants. Due to the possibility, however, that the Agreement might be interpreted to be a "top hat" pension plan that is subject to ERISA, the Company is protectively filing this statement.
