Re: Correction of date on reporting and disclosure letter

Gentlemen:

On September 3, 1992 I forwarded to you the required reporting and disclosure statement for our Top Hat plans #503 and #504. That reporting and disclosure statement showed an incorrect date of September 3, 1993. The correct date of the disclosure statement should be September 3, 1992 (not 1993). I have corrected the date on a copy of the original letter sent to you and I am enclosing a copy of the original letter with the date corrected to be September 3, 1992.

Please adjust your records to reflect the correct date for mailing of the reporting and disclosure statement to your office for these plans. Thank you for your assistance.

Sincerely,

Thomas R. Schaeffer, President
Plan Administrator
