This document constitutes a revised statement under 29 C.F.R. Sec. 2520.104-23(a)(I), which requires that a statement be filed with the Secretary of Labor in respect to a nonqualified deferred compensation plan maintained by the above employer.

The employer established a nonqualified deferred compensation plan primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees, and filed the original notification letter March 9, 2001. The notice filed on March 9, 2001 stated that the plan had six (6) participants. This revised letter is filed to notify you that the plan had one participant when the plan was adopted, and one additional participant was added in July of 2001. The employer has no other similar plans primarily for the purpose of providing deferred compensation for a select group of management of highly compensated.
