To Whom It May Concern:

On January 28, 2003, we mailed the attached letter in reference to our newly created 457B Plan. We have not received any acknowledgement(s) from your office, and are not 100% certain that we should.

However, today, July 31, 2003, I contacted the Employee Benefit Security Administration's Public Disclosure Office and was told there was no record of this Plan on file. According to EBSA's records, our organization has only one Pension Plan, a 401K.

In addition to our 401K Plan, we administer a 457B Plan for a select group of our management and/or highly compensated employees. This Plan was created on October 15, 2002. It is 1 of 2 pension plans offered by our organization.

Because we are not certain whether this information was received and/or processed, I am forwarding it again; however, I would appreciate knowing if our initial letter was received. I can be reached at 202-216-2431.

Your assistance in this matter is greatly appreciated.

Sincerely,

Theresa A. Waters
 Associate Director, Human Resources and Administration
