This statement is to comply with the reporting and disclosure requirements of §2520.104-23 of the Department of Labor Regulations relating to "top-hat" deferred compensation plans. As outlined in the related Consulting and Retirement Agreement, the taxpayer maintains an unfunded deferred compensation plan for the purpose of providing deferred compensation for a select executive of the company. The taxpayer has only one such plan that covers only one executive employee.

Daniel Rosselot, Chief Financial Officer
