Enclosed is our \$1000.00 check in payment of your "Amnesty" (extortion) program. For our \$1000.00 we expect a reply to our questions below.

1. Why were we (or our CPA's office) never notified or made aware that the Dept. of Labor wanted a form 5500 report?
2. Why did you need a form 5500 report--as I understand it, you do not now want a form 5500, you don't want any information now from a form 5500--all you want now is \$1000.00--so why did you ever have a need for the form 5500?

We are a very small business (4 employees) and \$1000.00 is still a meaningful amount of money to us. The "non-qualified deferred compensation plan" we set up covers only one person. It appears to us that this "Amnesty" program is just another way you bureaucrats have set up to manipulate the "little guy" to extort another \$1000.00 from our pocket. I have contacted my Congressman and asked for his help in this matter.

I am expecting a reply from the Dept. of Labor to this.

Sincerely,

David S. Williamson
