Re: Top Hat Plan Filing Pursuant to Department of Labor
Notice Contained in the July 24, 1992 Federal Register

Gentlemen:

This statement is filed pursuant to 29 C.F.R. Section 2520.104-23 and the Notice issued by the Department of Labor in the July 24, 1992 Federal Register.

Hansen Storage Company (Employer Identification No. 39-0332460), Hansen Seaway Service, Ltd. (Employer Identification No. 39-0985199) and Federal Wisconsin Service Co. (Employer Identification No. 39-0738798), each maintain a plan (i.e., three separate plans), each of which is primarily for the purpose of providing deferred compensation to a select group of management or highly compensated employees. Each of the three plans currently covers one participant. In each case the benefits are payable solely from the general assets of the employer sponsoring the plan. Copies of the plan documents will be provided upon request.

All three companies are located at the following address:

2880 North 112th Street
Milwaukee, Wisconsin 53222

28924

We understand from the explanation of Mr. Robert Doyle of the Department of Labor at the ALI/ABA November 5, 1992 Pension Law and Practice Update seminar that only one fine is due with respect to all of the top hat plans of a controlled group and all of the reports that might have been due for such plans. Accordingly, enclosed is a check in the amount of \$1,000 made payable to the Department of Labor.

If you have any questions or require any further information, please contact the undersigned.

Sincerely,

HANSEN STORAGE COMPANY

Peter J. Schmit
