Re: Federal Identification No. 39-0925153

To Whom It May Concern:

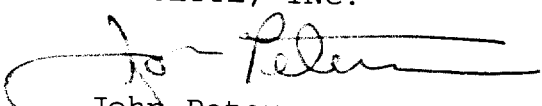

Schuette, Inc. maintains a plan or plans of deferred compensation for a select group of management or highly compensated employees. The number of plans is one (1).

The number of employees participating in the plan is one (1).

Uncertainty in interpretation of applicable rules necessarily means that the foregoing is a good faith estimate of the number of plans and participants, rather than an exact accounting. This filing is not an admission that any such plans are subject to the Employee Retirement Income Security Act of 1974.

Sincerely,

SCHUETTE, INC.

John Peterson
President
