RE: York Volkswagen, Inc.  
EIN No. 23-2000402  
Deferred Compensation Arrangement

NOTIFICATION STATEMENT

York Volkswagen, Inc. established a supplemental retirement benefit plan for key executives of the Corporation on January 25, 1990. The following information is intended to satisfy the Department of Labor's filing requirement regarding deferred compensation arrangements:

Plan Purpose:

The Corporation maintains the plans primarily to provide non-qualified deferred compensation for a select group of management employees.

Plan Summary:

The plan is intended to provide annual supplemental retirement benefits of \$10,000 for ten years to key executives and terminate employment after the age of sixty-five.

In the event the executive should die prior to the termination of employment, the executive will not be entitled to receive any death benefit.

In the event the employee dies after the termination of employment, any amounts due or remaining unpaid shall be paid to the executive's beneficiary.

Number of Plans and Participants:

There are three key executives who have supplemental retirement benefit arrangements. The Corporation has established separate plans for each executive.

Willingness to Furnish Plan Documents:

Upon request, the Corporation will furnish copies of all plan documents to the Secretary of Labor.
