PUBLIC DISCLOSURE

The corporation is a professional corporation organized under the laws of the state of Ohio. Each of the corporation's shareholders has entered into an employment contract under which he or she is paid a share of amounts received by the corporation for services rendered by him or her prior to termination of employment. Although each shareholder has a separate employment contract, the provisions regarding payment of these amounts is identical. There is no funding of this payment.

Given the lack of regulations defining the meaning of an "unfunded pension plan covering a select group of management or highly compensated employees", the corporation is not certain whether the arrangement described above is, in fact, an unfunded pension plan within the meaning of the statute. (Indeed, some representatives of the Department of Labor have stated publicly that, in their personal opinion, the arrangement described above is not an unfunded pension plan within the meaning of the statute.)

If further information is needed, please contact me.

Sincerely,

Ronald J. Waldheger
