Dear Sir/Madam:

The Historical Museum of Southern Florida maintains a plan primarily for the purpose of providing deferred compensation for a select group of its management and highly compensated employees. This plan currently has 1 participant.

This Registration Statement is filed pursuant to Part I of Title I of the Employee Retirement Income Security Act of 1974 as an alternative form of compliance with reporting and disclosure requirements for unfunded or uninsured pension plans maintained by an employer for a select group of management or highly compensated employees under Regulation section 2520.104-23.

It is our intent to utilize the provisions of 57 F.R. 43477 which allows employers who did not file the required Registration Statement for "top hat" plans in a timely manner. Accordingly, a check for the required penalty is enclosed.

Respectfully,

Randy F. Nimmicht
Executive Director
