Dear Sirs,

We have negotiated a supplemental pension plan with a highly compensated employee. It is a non-funded, non-qualified plan. We do not know if there are reporting requirements for such a plan, similar to the 29 C.F. Section 2520.104-23(a)(1) requirements for a Nonqualified Deferred Comensation Plan.

If there are said requirements, please let us know what they are so that we may comply.

Thank you,

Keren R. Bondi
