Re: Lawrence Technological University 457(b) Deferred Compensation Plan
E.I.N.: 38-1369604 (previous notice contained EIN of 38-1969604)

Dear Sir/Madam:

This letter is a follow-up to the letter dated April 17, 2013 that Lawrence Technological University (the "Employer"), previously sent to your office on June 11, 2013 via certified mail about the Lawrence Technological University 457(b) Deferred Compensation Plan of (the "Plan") which was adopted effective as of June 30, 2013. Our prior letter contained a typographical error in the employer identification number. The number listed in the letter was 38-1969604, when the correct number is 38-1369604.

As we previously advised you, the purpose of the Plan is to provide deferred compensation primarily for a select group of management and highly compensated employees. The number of employees eligible to participate in the Plan as of its effective date is 3. The Employer does not maintain any other unfunded top-hat plans described in Department of Labor Regulation Section 2520.104-23(b).
