Great Lakes Energy Cooperative Directors' Elective Deferred Compensation Plan**

Employer Identification Number (EIN): 38-3321875

Dear Sir or Madam:

In compliance with the requirements of 29 C.F.R. § 2520.104-23, please accept this correspondence as an "Alternative Reporting and Disclosure Statement for Pension Plans for Certain Selected Employees" for the above-referenced plans. This filing supersedes any prior filings made for the employer.

The Great Lakes Energy Cooperative Executive Compensation Plan and Great Lakes Energy Cooperative Directors' Elective Deferred Compensation Plan are maintained for the primary purpose of providing deferred compensation for a select group of management or highly compensated employees and cooperative directors. These are the only such plans maintained by the employer, and the Great Lakes Energy Cooperative Executive Compensation Plan and Great Lakes Energy Cooperative Directors' Elective Deferred Compensation Plan benefit 14 employees and nine (9) directors, respectively.

If you have any questions, please call me at 231-487-1309.

Sincerely,

Bill M. Scott
President & C.E.O.
