RE: Bliley Electric Company
Deferred Compensation Plan
EIN 25-0360192

To whom it may concern:

Enclosed please find the statement as required in Section 2520.104-23 of the federal code to provide information regarding the above-captioned non-qualified deferred compensation plans. We have also enclosed a check in the amount of \$1,000 payable to the Department of Labor as payment for the assessment for late filing pursuant to the Department of Labor News Release dated March 23, 1992 (USDL: 92-158).

In accordance with the Department of Labor News Release, the Plan Administrator for the plans acknowledges that the payment of the penalty under the terms of the grace period will constitute a waiver of both the right to contest the Department's assessment of the late-filer penalty amount and the right to receive written notice of the assessment from the Department.

Please contact the undersigned if any further information is required.

Sincerely yours,
